

Introducing SMILER

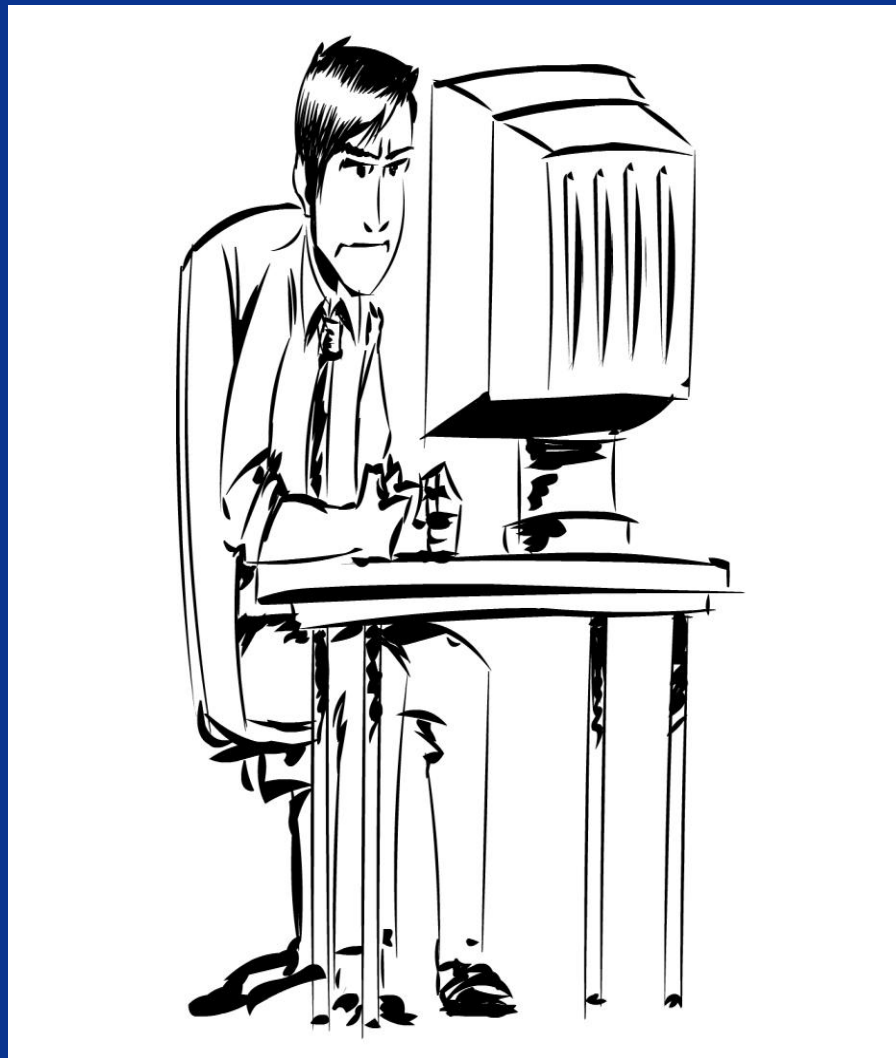

Why SMILER?

Monitoring as the ‘poor relation’

Disconnect between proposal and report contents

Projects just not delivering

Limited understanding of what M&E involves

Helping staff

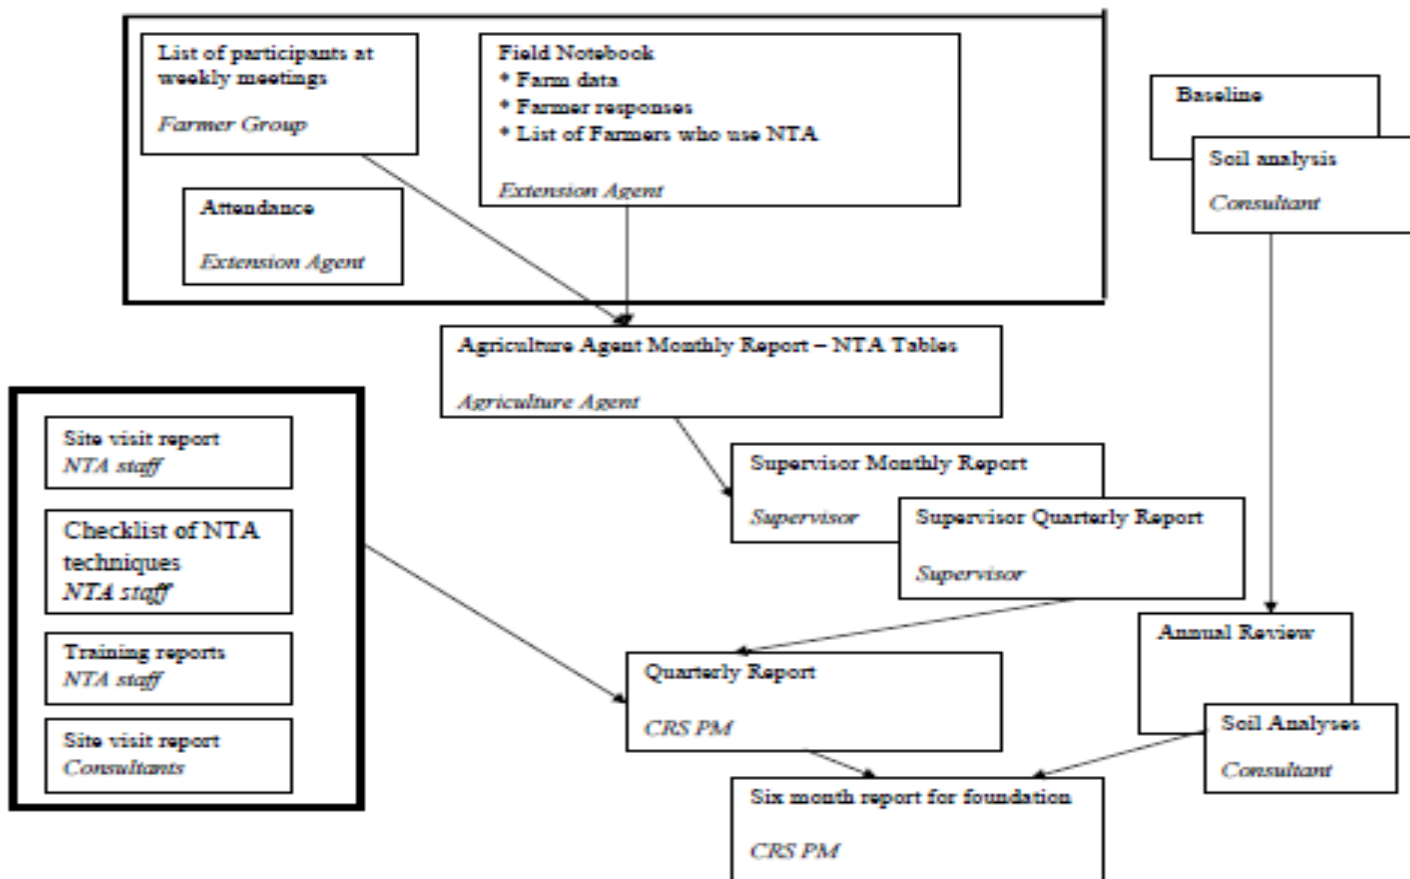

- Simple
- Measurement *of*
- Indicators *and*
- Learning *from*
- Evidence-based
- Reports

Example: Data Flow Map

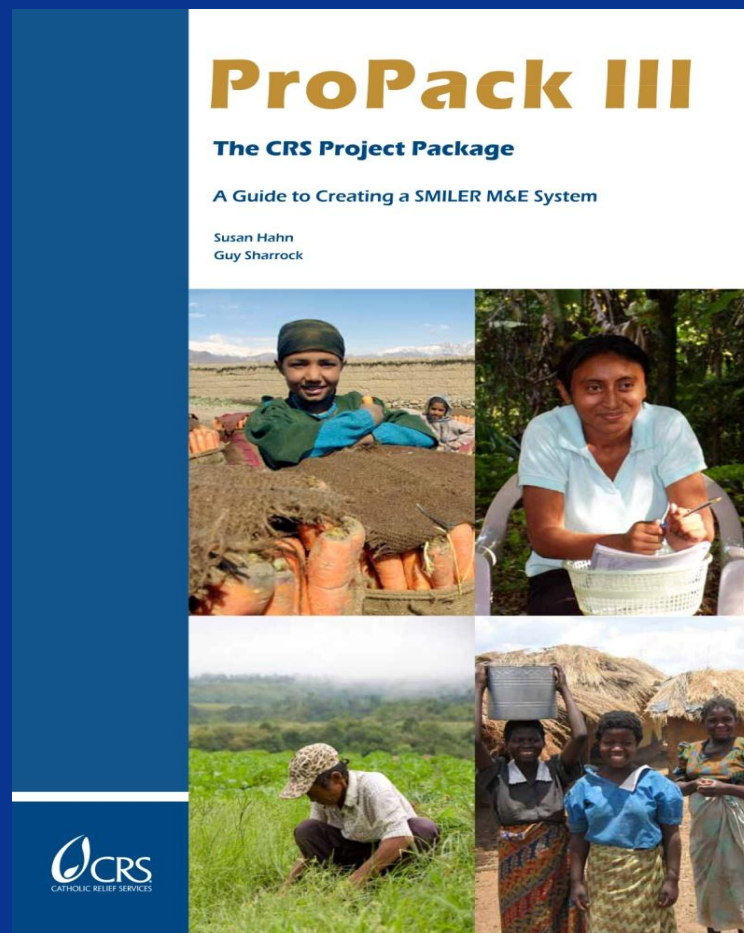

SMILER Example 5: Data Flow Map, CRS DRC

Data Flow Map IR 1.1 Farmer Groups engage in the elaboration and evaluation of No Till Agriculture.
