

Stepscale

Can you suggest a way to measure opinions, skills or behavior that's different, even fun?

For information on this important subject, please go to the following Journal of Extension reference:

Kiernan, N. E. & Brock, G. (2000). A Technique to Measure Opinions, Skills, Intentions, and Behaviors That's Different - Even Fun. Journal of Extension 38(6).

Available at: <http://www.joe.org/joe/2000december/tt2.html> Current as of January 12, 2005.
