

Evaluation Knowledge and Skill Building in the 21st Century: The Canadian Evaluation Society (CES) Journey...

CES Vision 2012 - 2015

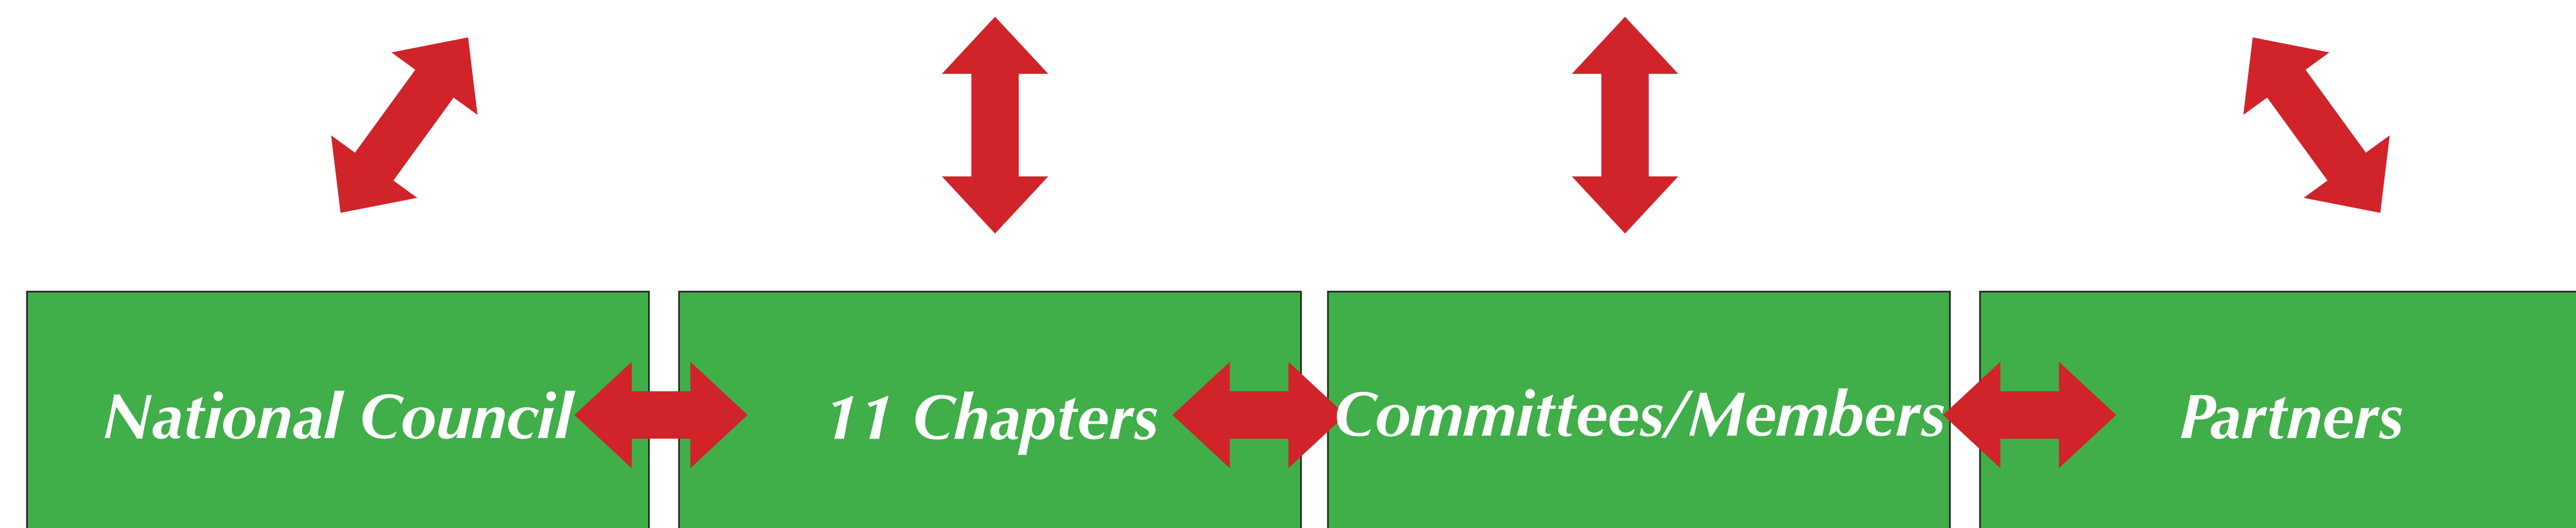

ABOUT CES...

By 2015, CES will have strengthened its organizational capacity to promote the sound practice of evaluation in Canada and to act as the voice of evaluation in Canada, and at the international level.

CES MANDATE...

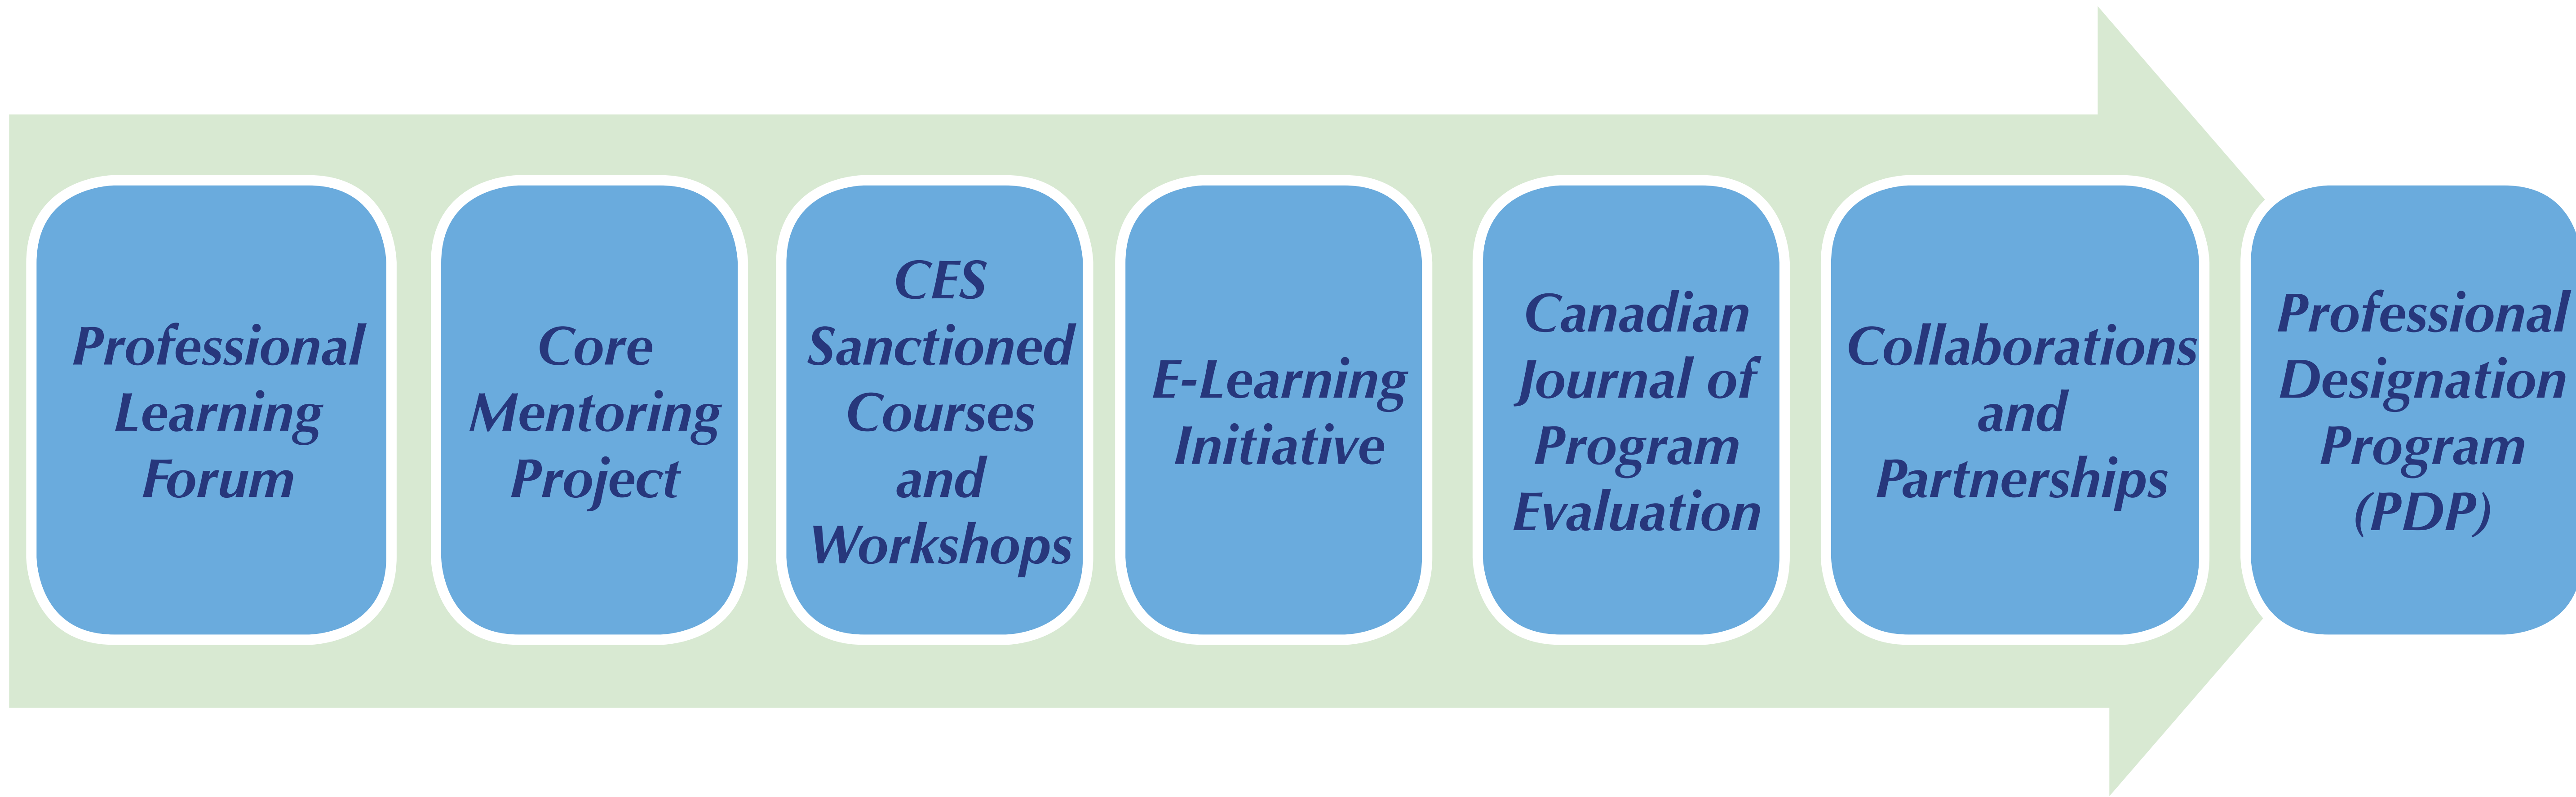

CES ORGANIZATION...

“Professional evaluators are to be competent in providing services, act with integrity, and be accountable for their performance and products.”

CES Website (2012)

Professional development is “an on-going and sustained approach undertaken by the evaluator towards improving and refining their effectiveness in fulfilling competencies for Canadian evaluation practice.”
